

## **Need an idea for an unmounted meeting?**

**#1. Unmounted lesson: Select a disease to fully discuss from cause to care and recovery**

**MODEL: PRACTICE WITH GUIDANCE; PRACTICE INDEPENDENTLY**

Checkout this website: [http://emc.vetmed.vt.edu/bios/white/equine\\_laminitis.pdf](http://emc.vetmed.vt.edu/bios/white/equine_laminitis.pdf)

Great article on laminitis including pictures that could be enlarged for instruction. Use the pictures to explain the course of laminitis. Invite a farrier to explain their role in treating horses with this disease. Many other good sites with drawings; let me know if you have a favorite.
